Xi Colony Enters School Year 10-Men Strong

With Only Two Returning Brothers, Rush Efforts Help Colony to More Than Quadruple in Size

By Doug Bodner '87

After months of planning, fall rush was finally upon us. With only two returning brothers, this fall's rush was critical to keeping ZBT on campus. Without a campus house, we had to scrounge for a place to hold rush.

Well, here's how it turned out. Rush in the President's Box, overlooking Grant Field. Eight new, motivated brothers. And a new goal of moving into the house at the end of the year.

Success came due to our value proposition: that the new members can build a fraternity of their own, that ZBT does not condone pledging and hazing, that we have a quality group of alumni and current brothers who will help make the chapter successful, and that we have a house on campus ready for an ambitious and talented group of ZBT brothers to make it their own.

There were two returning brothers, one recruit from spring/summer, and seven bell-

ringing new brothers. I don't know about you, but I wish I'd gotten the chance to ring the bell in the President's Box. With ten brothers, Xi Colony is on the path to success. Certainly, there is hard work ahead, but the enthusiasm and motivation needed is there in the brotherhood, as is the help from dedicated alumni.

Kick Off Our New Giving Year

Help Sustain the Momentum to Reach Giving Levels Seen in Years Past

Zach, Inc. would like to thank the 45 alumni members who contributed a collective \$3,439 to our annual fund last year. While the response from these donors is appreciated, just look at how much we raised in 2002-03! These

10 undergraduates need us to lead by example! Rise to the challenge and help us kick off our new giving year by making your gift today, either online at www.gtzb.org or by calling 800-975-6699.

OLD PHOTO ALBUM

Remember the Good Ol' Days?

We want to publish your memorable pictures too! Xi Chapter is looking to rebuild its legacy by collecting old photographs and other items you may have saved from your years at Georgia Tech. Specifically, we are looking for photographs to represent each decade of our history! Group shots of parties, mixers, dances, etc. are also wanted. Please submit photos from your era online at www.gtzb.org.

HELP US FIND A LOST XI BROTHER

We've lost touch with the following members! If you know of their current whereabouts, please update us by emailing our alumni relations office at feedback@affinityconnection.com (just be sure to mention ZBT at Tech in the subject). Help us to reconnect them with ZBT and our alumni brotherhood!

Headed Back to Atlanta this Season?

Be Sure to Check Out a Local Hot Spot!

What better time than football season to reunite with your brothers? Plan the perfect weekend using our Atlanta visitor's guide!

Nightlife

With 14 bars within a mile and a half of campus, there are plenty of choices for a Friday or Saturday night stop. Check out one of these great places and bring back the old days with your ZBT friends! Kim Kennedy of the Georgia Tech Alumni Association recommends:

Technology Square, 800 Spring Street, NW, Atlanta

Tech Square is the newest area on campus where students can choose from a variety of restaurants and bars.

Jocks N Jills Sports Bar, 1 Cnn Ctr, Atlanta; 404-688-4225

The bar tends to draw in hordes of Georgia Tech students and fans, according to the website www.10Best.com. With more than 40 TVs, there will be no problem finding a game to suit your tastes.

Manuel's Tavern, 602 N Highland Ave; 404-525-3447

Since it's opening in the mid-1950s, Manuel's Tavern has collected bits of Atlanta's history now covering its walls. The Laughing Matters comedy troupe entertains crowds on Saturdays, and Sunday night's feature trivia contest.

Daytime Fun

Make it a weekend and stay around for more fun on Sunday.

Atlanta offers many daytime activities for the day after the game. For early morning fun, set up a tee time at any of the four public golf courses in the area. If golf is not your thing, or you are looking for a family-fun option, nearby amusement park Six Flags over Georgia will get your heart racing. Spend the day with your brothers after a 170-foot drop on the newest coaster, Goliath.

Countdown to 2007: Xi Colony Set to Move Back into House in Two Years

House Currently Rented to Sigma Phi Epsilon, Allowing Zach to Pay Bills and Support Efforts of Chapter Growth

By Chuck Patel '93, President, Zach, Inc.

Fall is upon us and there's a lot of great news about ZBT Xi Chapter at Georgia Tech. First off, our young colony had a successful rush and recruited eight new members.

I would like to deeply thank **Doug Bodner '87** for recruiting the help of some of our younger local Atlanta alumni particularly **Stefan Woulfin '99**, **Jason Woulfin '01**, **Brad Farrell '06** and **Kent Smith '06** for creating a hard working environment over the summer which produced the results we need to get back on campus.

With the colony now back up to ten members of new and excited brothers, the goal to move back into the house is not far away. We are planning on having our colony take over the house starting in the

summer of 2007.

Many of you are probably asking who is living in the house today? We have currently leased the house for the past two academic years to Sigma Phi Epsilon who is currently completing a house renovation. While this is not the optimal use of our property, it has proven to be very smart one since it allows Zach to not only pay our bills, but to build a small war chest to fund part of the growth of the new chapter. Zach has fully funded most of the rush activities on campus for our young chapter and the results are paying off.

Zach has improved its financial position greatly, however, your donations are always important and desired to not only help fund our operations, but also to grow the Chapter to be the powerhouse that it was

when we all were on campus.

The younger students of today have myriad of choices in the Greek System at Tech just like we had, however, we at Xi Chapter are competing with larger houses with newer properties which cause quite a draw. Our recent Rush results prove that it's all about people and sharing a common bond with them. Let's do the best we can to support and nurture this young group so they can not only move back into the house, but grow in size fast and true so we can start our own capital campaign to build a new house at Georgia Tech!

Thanks again for your all your support. We hope to share with you more exciting news about the progress of Xi Chapter in the future.

Stay in Touch Online

Visit www.gtzb.org and update your email address. Your participation makes it easier and more cost effective for Zach to communicate with you about the colony's progress.
